## **Music Academy Guidelines for ALL students**

(please return to teacher and keep 1 copy)

Student Name \_\_\_\_\_ Date \_\_\_\_\_

1. Lesson rate is \$25 per lesson (30 min) to be paid in check form to Christ the Servant in the first week of the month (1<sup>st</sup>-7<sup>th</sup>) times the number of weeks in the month. Give the check to the teacher for processing.
2. The student should not attend the lesson if they are sick. In the same manner, the teacher will cancel a lesson if they are sick and provide a makeup. Unlike other types of work, private music lessons are very hands on with close contact to the student. The student can sneeze or touch the instrument and the teacher or other students would come in contact with their hands on the same instrument. If the teacher feels the student is sick, they reserve the right to postpone the lesson to another time.
3. Lessons are paid time slots in the teacher schedule. If you can only take a lesson every other week, the whole month must still be paid.
4. Lesson weeks can be adjusted according to Holidays.
5. In the case of illness or Holiday, you must give 24 hour notice to qualify for a makeup lesson, otherwise the lesson is forfeited.
6. No smoking ,fingernail painting, food or drink are allowed in the lesson area . No skateboarding is allowed in the courtyard.  
The student is allowed to eat a snack in the lobby.

## **Music Academy Guidelines cont'd**

7. The doors will be locked during lesson time. Please go to the side chapel door to access the building. If you are a parent waiting in the lobby, please allow the teacher or the student she/he notifies to open the door for the next student.
8. If you are waiting with young children, you can use the playground, or the nursery room if they are available. An adult or guardian must stay on the premises during the lesson for children under age 12.
9. Performances will be held twice a year on Academy Sundays and general recitals 2-3 other times throughout the year. Intermediate-advanced students may opt for exams too. Adult students are not required to participate in children's recitals.
10. The student may use the computer lab following the lesson for 30 minutes at no extra charge. A suggested plan for children would be One theory lesson (Music Ace) then one fun game. Adult students may like the Music Composer/History programs .
11. Music Camp weeks are held in the church in August with games, computer lab and movies plus group music learning. There is an additional weekly fee for the program.
11. Students interested in Community Outreach can assist music teachers at the Blind Center of Nevada or perform in recital at a scheduled time at Nursing Homes or Hospitals especially during the Christmas season.

**I will Honor the Music Academy Guidelines listed above.**
